# SYNASEP

## SANITIZER AND FUNGICIDE FOR BUILDING AND LIVESTOCK EQUIPMENT

**Synasep** is a very specific combination of organic acids and essential oils, (bacteriostatic, bactericidal, antifungal and anti-tartar). This combination enhances each active ingredient and remarkably increases the effectiveness of essential oils and their remanence.

### SEVERAL USES

- Livestock buildings (walls, floor, etc.)
- Transport equipment
- Small livestock material (buckets, containers, water troughs, etc.)

### DOSING

2% of **Synasep**, in soak or spray

---

### MILKING PARLOUR

- Tubing
- Milk tank, etc.
- Milking Robot (brushes, teat cups)

### DOSING

Inject 1.5% of **Synasep** in the water destined for the automated washing system

**IMPORTANT**, rinse well with clean water after at the end of the wash cycle.
