- 20 L

E-SELEN[®]

Veterinary Health Product

Health Canada NN.M1M3

Recommended Use:

- Selenium and vitamin E are essential components for the healthy function of muscular, vascular and nervous systems.
- Vitamin E helps to support or maintain reproductive health and a healthy immune system.

Directions for Use:

Poultry:

Add and mix 500 ml of E-SELEN per 1000 L of drinking water. Administer during 3 to 4 days.

Administration by metering pump:

To prepare a stock solution of 10 L, mix 500ml of E-SELEN in 9,5L of drinking water and stir the solution well before dispensing. Set the metering pump to 1:100. Prepare a fresh solution every day.
